HERITAGE CLUB NEWS

JANUARY/FEBRUARY 2020

Happy New Year!!

The year 2019 is now a memory, and I hope it was filled with wonderful times spent with family and friends.

I bet many of you have a New Years resolutions list. I hope FSB Heritage Club is included on your list of things to do. Cindy and I have been busy planning one day ventures and extended travel opportunities for you along with activities that doesn't include travel. Let us help you to make fun-filled memories with family and friends.

The first activity we have planned for 2020 is to Circa 21 in March for Saturday Night Fever The Musical. I hope you can join as we boogie-oogie our way to Rock Island, your white leisure suit is optional. See inside the newsletter for more information on this day trip and other upcoming activities.

Best wishes for the New Year, and may our paths cross in 2020.

Until next year.... *Melanie Davis*

CIRCA 21 PRESENTS: **SATURDAY NIGHT FEVER!** MARCH 25, 2020

Tony Manero lives for the weekends when he and his friends go to the local disco and dance the night away. When a big dance competition is announced, he

wrangles the beautiful and talented Stephanie to be his partner. As the two train for the big night, they start to fall for each other as well. Based on the 1977 movie phenomenon that launched the disco era and made John Travolta a household name, Saturday Night Fever features hit songs from the Bee Gees — such as “Stayin’ Alive,” “Disco Inferno,” and “How Deep Is Your Love” — and is one of the most successful movie sound tracks of all time, winning a 1979 Grammy for Album of the Year and staying on U.S. album chart until March 1980. The stage musical includes almost all of the songs from the original movie sound track, and the high-octane energy will bring you back to the time when disco was king!
