Do you hear that? The sound of silence during my lunch break again! Kids are back in school, the air is changing and our activities are beginning to wind down.

We have had a busy summer full of fun. Our mystery trip in July was spent in Delaware County, touring the Kendrick Sawmill, Lenox College and an Amish School House. We just celebrated at our Annual Party, with George Burns making us laugh. His stories of him and Gracie were just as adorable as

they were back then. The next day we met up again and traveled to Amana for a day of shopping, good food, beautiful weather and a hilarious play at the Old Creamery Theater. As you read this, we have a group in Montana taking in the Big Sky, Glacier and Yellowstone National Parks and some adventure. Couldn't join us for those? There is still more fun to be had this year!

There is still a few days left to get signed up for the craft day. It will be fun, loud and creative! Our movies are a great way to enjoy Heritage Club. Sign up, show up, enjoy a free movie, popcorn and pop! Can't get any easier than that!

Our trip to Decorah is full of farm to table experience. Seeds, flowers, pumpkins and a brewery. See inside for full details. Space is filling up, don't wait! Our Holiday Banquet in November provides a delicious Thanksgiving meal and a time to learn. We have just added a new trip : "White Christmas" at the Civic Center in Des Moines. Its a wonderful way to end our season and get us all in the holiday spirit!
