

VOYAGERS

April 2019

Time Flies when you are having fun and we've been having fun! The first quarter of the year is gone already and the Voyagers have been busy. Our January Cabin Fever Day activities were fun and brightened up our day at the bank and we hope you enjoyed it too. Valentine's Day was celebrated with lots of sweet treats, bingo games and of course valentines. The end of February found several of us in Costa Rica zip lining and exploring the volcanic areas, the mountainous regions and the national parks. We saw fields of coffee, of bananas, of papayas and many other fruits and vegetables. Plus, our drive took us past field after field of multiple varieties of ornamental plants. We relished the sunshine, the comfortable warm weather, the blue skies, the lush and vivid colors of the flowers and wildlife. Birds of all colors, the iguanas and the sloths were only surpassed by the mischievous troops of monkeys. As we go to press we also have a group traveling in Italy. Traveling by gondolas and fast trains as they make their way thru the Tuscan region on the way to Rome. Check out our up and coming travels, both day and extended travels. Remember to sign up early to assure that you don't miss an exciting adventure with the Voyagers.
